

# WILMA TOWNSHIP ROAD REPORT, ALDEN SHUTE, ANNUAL

• TOWN MEETING, MARCH 10, 2026

3-10-26

2025 work

Beaver grate on Eaglehead Rd has been effective as far as able to clear dam up issues

Little Tamarack Rd - Gravel from boat landing around lake

N. Duncew Gravel - 12 loads various spots

Tamarack Pine drive - Replace culvert Just Past Eco Village

Brushed all roads

2026 Projects

Gravel on West end of Heller drive

More Gravel various spots on N. Duncew

Eaglehead road - raise road through swamp where culvert was installed as a larger culvert needs more fill

Discuss if the expense of brushing is worth it

East end of River Cabin Rd is a frost boil

needs to be dug out - rock installed

re gravel that area

Tamarack Pine - 2 loads gravel at Maureen's driveway to take the twist out of the road on the hill
